		60	18

- Double degree students are exempted from the below graduation requirements at Hanyang University by satisfying the following conditions:

Category	Condition for Exemption
Pre-requisite	Bachelor's degree in Korean studies OR TOPIK level 3 or higher.
Primary Language (Korean)	
Secondary Language (English)	Certification issued by an English language professor at Sapienza University which confirms his/her proficiency in English at a minimum level of B2.!

- “SPECIAL TOPICS ON KOREAN STUDIES” consists of 4 subjects, students must take only one of them.

- Final test (Degree, Rome) is equivalent to Comprehensive examination (Hanyang) which students must pass for graduation. The University of Rome gives 24 credits, but Hanyang University gives no credit for it. However, all students at both universities for the double degree must pass the final test or comprehensive examination.

-Students shall take the final test or comprehensive examination at their respective university after they return to their original university.

Table 3a -Marks: maximum 30 cum laude – minimum 18 (Sapienza) is equivalent to maximum A+– minimum D.

Students from Hanyang University follows the grade conversion table as below:
